

Next Up is Seeking Board Members

Next Up Action Fund (a 501c4) and Next Up (a 501c3) are seeking individuals to join one or both of our boards in 2021 and beyond! This might be the opportunity for you if you are interested in building community, collaborating with other young advocates, helping with fundraising, delivering and shaping the organization's larger strategic vision, and more - all of which we will provide training for. We're looking for people who are reliable, team players, and dedicated to transforming youth engagement throughout Oregon.

Our Next Up Boards of Directors provides oversight and support to our work. They are fierce community advocates who are deeply committed to building strong youth-led movements in Oregon. We're all under 35, with a majority under 25, and are a majority Black, Indigenous, and people of color. [Meet our current board members here.](#)

Who We Are

Founded in 2001, Next Up amplifies the voice and leadership of diverse young people to achieve a more just and equitable Oregon. We envision an Oregon where young people boldly lead the state forward, our democracy is inclusive and accessible, and our communities are strong and resilient. Learn more at nextuporegon.org.

We provide a range of programs for youth ages 14-35 that focus on training young people to be effective community organizers, registering and turning out youth to vote, and advocating for policies that expand access to our political system and advance social justice.
